- Quick release/attachment display mechanism
- Stackable post to double original height, enabling fast upgrade to two layers of monitors
- Cable management with generous capacity guides cables discreetly down the arm to the work surface

WARRANTY

10 Years limited

WEIGHT RANGE (FIXED HEAD)*

Flat display	0-12kg (26.5lbs)
Curved display	0-10kg (0-22lbs)

Monitor weight should be within the weight range of all modular elements that make up the complete monitor mounting solution.

Deep devices (such as all-in-one PC's) and offset VESA locations exert additional leverage that can exceed the capacity of the mount even though the monitor weight may be within the stated range. Please contact Winsted if you would like further information

*Curved monitors with an overall depth up to 140mm(5.5")
