

VENTRIX CHAIR GUIDE

Mission Critical. Mission Comfortable.

At Winsted we understand that Mission Critical Control Rooms are high-stress environments, and those standing watch work long shifts to support the mission. That's why the right chair is a critical part of the operator's environment. Chairs built and warranted for 24/7 intensive use with heavy-duty steel base construction and all the key ergonomic adjustments.

Meet the Ventrix, BodyBilt's premier mesh-back intensive-use chair. Ventrix is the only mesh back chair rated and warranted for 24/7 use on the market. This chair is engineered for maximum airflow, keeping operators cool during the most stressful events.
