

CORIAN® WORK SURFACE

Corian® work surfaces are durable and feature an attractive, seamless appearance. The solid colors penetrate through the entire thickness of the material so blemishes are easily repaired. The smooth, nonporous finish is hygienic and easy to clean, while being resistant to liquids and heat.

FEATURES

- Whatever the spill, Corian® is easy to clean and stain resistant because liquid cannot penetrate the surface
- Corian's durability and renewability with common abrasive cleaners reduces the need for replacement, which makes Corian® inherently environmentally friendly
- Joints are unobtrusive and impermeable with a seamless appearance
- Colors and patterns penetrate through the surface and cannot wear away
- Corian® is inert, nontoxic, chemically unreactive, hypoallergenic and fire resistant
- Advanced blend of natural minerals and acrylic polymer
- Corian's nonporous surface is very hygienic
