

- Limited lifetime warranty on all fixed steel structure frame components
- 10-year warranty on adjustable, sliding, or hinges components
- 10-year warranty on solid surface material and laminated surfaces
- 5-year warranty on power actuated lift mechanisms
- 2-year warranty on general electrical components
- Chair warranty dependent on model

All warranties are effective from date of invoice. All products shall be free from defects in material and workmanship under normal usage and conditions for which the products were designed.

Winsted's obligation under this warranty shall be limited to the exchange of the product or parts that proved to be defective or unsatisfactory. Winsted reserves the right to have the product inspected at the buyer's location or have the product returned to the factory for inspection. The above warranty does not extend to consumable products, goods damaged or subjected to accidental abuse or misuse after shipment from Winsted's factory or to goods that are altered or modified

Customer Care Guarantee
